WHY SHOULD I SHOP AT NITIZEN?

Nitizen’s main aim is to provide quality goods and services to citizens with competitive prices and timely services. We aim to build a program for farmers to sell their products directly to the end-users by promoting Local Manufacturers and Artisans to manufacture products by measuring the market through our online store, and at the same time, we resolve to verify the quality of the products. Hence giving customer original and quality products.

WHERE DO WE OPERATE?

We operate at PAN India level, but in grocery category product will be operate only in Tumkuru (Karnataka) City limit.

HOW TO ORDER?

You can use / login to our website www.nitizenmart.com or download our App nitizenmart from google play store and create your account with fill the required information and start order.
